## Instructions:

1. Die cut 4 of the sleigh sides on Cherry Cobbler card stock - glue together in pairs to reinforce each side of the sleigh.
2. Die cut 1 sleigh detail on Gold Glimmer Paper - adhere to one sleigh panel.
3. Fold on the score lines of the 3-1/8 x 2" Cherry Cobbler piece.
4. Notch out the end score lines as shown below and glue tabs to form the end of a box.
5. Cut 3 slits in the scored edge starting 1" from the unscored end as shown in the first photo below.
6. Glue the center piece of the sleigh on the inside of one side bending it to form a curve up the back of the sleigh as shown in the second photo below.
7. Glue the other side of the sleigh in place the same way.
8. Wrap the nuggets with the the strips of designer series paper and stack in sleigh.
9. Die cut a Gold Glimmer Bow - add to the top nugget.
10. Enjoy!
