Instructions:

1. Score the designer paper at 1", 3" and 7 1/2". Fold on the score lines and insert into the gusseted cellophane bag. Use a small piece of washi tape to secure the flap on the bottom of the bag so that it stays flat.
2. Fill the bag with candy or treat. Fold the Designer paper over the outside of the bag and secure with a Gold Binder Clip.
3. Use the Perfect Pines framelits to die cut the pine leaves, pine cone, and berries from the Cherry Cobbler, Emerald Envy, Crumb Cake, and Early Espresso cardstock pieces. Attach the pinecone die cuts with a glue dot. Gather all of the die cut elements and clip them under the Gold Binder Clip.
4. Die cut a small label from the Lots of Label framelits. Stamp the ivy in Emerald Envy ink. Carefully ink only the first part of the sentiment in Cherry Cobbler ink and stamp on the tag. Clean the stamp and ink the second half of the sentiment to stamp below it.
5. Punch a hole in the top of the tag and tie a piece of Cherry Cobbler twine through the hole. Attach the tag to the Gold Binder Clip using a Glue Dot.
