Instructions:

1. Run the Cherry Cobbler strip through the Big Shot, using the Sweater Embossing Folder (you will have to fold back about 2 ¼" of this strip because it won't all fit in the embossing folder. That's ok, it will be reversed embossing, but just position that on the bottom of the box)
2. Wrap Cherry Cobbler strip around the Tiny Treat Box and adhere card stock together at the bottom of the box
3. Wrap Warmth and Cheer Designer Series Paper strip on top of Cherry Cobbler card stock
4. Take 2 pieces of twine (Cherry Cobbler and Garden Green) and wrap around Warmth and Cheer paper, tying a bow at the top
5. Stamp reindeer image on Soft Suede cardstock, using Early Espresso ink
6. Punch out and adhere to side of box using Dimensionals
7. Punch a ½" Circle from Red Glimmer card stock and adhere to reindeer nose using a Dimensional
8. Add Whopper candy and a Red Cherry Ball (I put a Cherry Ball on each side of the box)
