1. Assemble the white gift box. Don't forget to put the gift inside.

3. Wrap Gold Satin ribbon around the box as pictured. Layer Cherry Cobbler ribbon over the top of the gold. Put several loops of Gold Baker's Twine on the top. Create double bows from both colors of ribbon. Adhere the Gold bow to the top of the box first, followed by the Cherry Cobbler bow.

5. Stamp the Holly Spray Outline in Archival Basic Black ink directly onto the white oval. Use the correlating solid image and Garden Green ink to fill it in.
6. Stamp the Bow outline in Archival Basic Black ink. Use the correlating solid image with Cherry Cobbler ink to fill in. Punch out the bow. Adhere to the spray image with dimensionals. Layer onto the scalloped gold foil oval and attach to the box with dimensionals.
7. Embellish with pearls and a tiny Gold Baker's Twine bow as shown.
8. Enjoy!
