- Stamp the sentiments and fussy cut the words. Use Mini Dimensionals to secure them to the front panel as shown. Use the Take Your Pick Tool to scatter three of the Regal Foiled Dots as desired. Set aside the completed panel.
- Assemble the Book Treat Box. Attach the smaller Blackberry Bliss panel to the back of the closure tab and the back of the box with Multi-Purpose Liquid Glue, folding it where the score line is, as well as along the back of the box. Use a scissors to round the corners of the Blackberry Bliss to match the rounded corners of the tab piece. Do not remove the adhesive on the tab to close it. It will stay closed with the ribbon tie-on as well as being tucked under the front panel.
- Secure the scored panel of Blackberry Bliss to the Book Treat Box, lining up the score lines. Fill the box with treats or a gift card. Then, tie on 18" of the Blackberry Bliss & Gold ribbon, making a bow and trimming the edges at an angle.
- Triple layer Dimensionals in each corner of the completed front panel. Center and set over the front of the Book Treat Box.
