Instructions:

- Run front of card base through the Cut & Emboss Machine using the Beautiful Pattern Embossing Folder.
- Line up the largest pop-up die so that the line in the center of the die is lined up with the score line of the 5 1/4" x 8 1/4" Basic White cardstock; run through the Cut & Emboss Machine.
- Place the same large die and the small "flap" die onto the 3" x 3" scrap of DSP; run through the Cut & Emboss Machine. Use scissors to "release" the die-cut DSP at each end and adhere to the White pop-up piece from previous step. Fold the "flap" die in half; adhere the "back" flap to the inside of the pop-up on the White cardstock. Stamp the sentiment onto the right-side using Tuxedo Black Memento ink. Adhere the Basic White cardstock to inside of card base, being careful to keep pop-out piece in a "mountain" fold.
- Adhere the 3 1/2" x 4 3/4" piece of DSP to the front of the card.
- Stamp the 4-flower image in the lower right corner of the 3 1/2" x 4 3/4" piece of Basic White cardstock using Tuxedo Black Memento ink; repeat in lower left corner. Stamp the petals onto the floral images using Strawberry Slush ink; stamp the inside of the floral images using Crumb Cake ink. Use the Granny Apple Green Stampin' Blends to color in the leaves and stems.
- Stamp the sentiment above the flowers using Tuxedo Black Memento ink. Punch a small hole at top of the Basic White cardstock and thread 3" of the Garden Green ribbon through, folding in half. Use Crumb Cake Baker's Twine to secure the ribbon, tying the Twine into a bow. Adhere cardstock to front of card.
- Using the 4 1/4" x 5 1/2" Basic White cardstock, stamp the 4-flower image, 2 of the tulip image, and 3 of the butterfly image using Tuxedo Black Memento ink. Color in the 4-flower image the same way you did on the front of the card; ink up the bold tulip image using Strawberry Slush ink, stamp off once on scratch sheet and stamp inside both tulip images. Color in tulip stems using the Light Granny Apple Green Blend and the 3 butterflies using the Darling Duckling Blends. Run the cardstock through the Cut & Emboss Machine and die-cut the 6 images using the appropriate Pop-Up Petals dies from the bundle.
- Adhere die-cut floral images to the inside of the pop-up using adhesive at bottom of die-cuts.
- Add the 3 die-cut butterflies as desired. To finish, add Wink of Stella to all 3 of the butterflies.
