- PAPER – Basic White (166780), Modern Christmas Specialty Designer Series Paper (DSP)(165990)
- INK – Tuxedo Black Memento (132708)
- OTHER – Hole Punch Assortment (165409), Gold Shaker Stars (166065), Tree Shaker Domes (166064), Black & White & Gold Baker's Twine (166005), Stampin' Cut & Emboss Machine (149653), Stampin' Dimensionals (104430), Stampin' Seal (152813)

## Cutting & Scoring:

- DSP – (2) 3" x 4"
- Basic White – 1" x 2"

## Instructions:

1. Put the two pieces of DSP back-to-back and die cut a tree from the center of both pieces at the same time (so that the holes are lined up).
2. Use the 1/8" Hole Punch to create holes 3/4" from each top corner.
3. Use the adhesive on the shaker dome to adhere a dome into each of the two DSP pieces.
4. Use Tear & Tape Adhesive around the inside edges of one of the DSP.
5. Add shaker stars to one of the frames. Remove adhesive on the frames and the Tear & Tape around the DSP and adhere the two sides together.
6. Stamp the sentiment in black ink on the Basic White cardstock. Punch a hole in the end. Use scissors to cut off both top corners to create a tag shape.
7. Fold the twine in half and tie a knot approximately 1 1/2" inch from the loop in the middle. String the rest of the twine through the tag to the front, add the tag, and tie a bow.
8. Use a Stampin' Dimensional to hold the tag in place next to the top of the shaker dome.
9. Use as a gift tag or an ornament.
